GREAT WESTERN FNC

GREAT WESTERN FNC

We are a proud club. A loyal club. A great club.

ROUND 14
GREAT WESTERN
VS
SWM ROVERS

PRESIDENTS REPORT

Welcome everyone to our final home match of the season. On behalf of the Great Western Football Netball Club, I would like to welcome all supporters, volunteers, officials, and players to the club today as we take on SMW Rovers.

As we approach the business end of the season, I would like to take this opportunity to thank everyone involved with our club for their incredible efforts throughout the year. A football and netball club is built on the commitment of many people, and we are fortunate to have such a dedicated group of committee members, coaches, players, volunteers, canteen and bar staff who continue to give their time and energy to make our club what it is.

With finals approaching, it is exciting to see five of our teams well in the hunt to secure a finals position, with a couple of others still holding onto sneaky chances of making their way into September action. The hard work and commitment across all teams has been outstanding, and we wish everyone the best of luck as we push towards the end of the season.

Today we also celebrate a fantastic milestone, with 2019 premierships player Josh Hustler running out for his 150th game. Congratulations Josh on this terrific achievement and thank you for your ongoing commitment to the Great Western Football Netball Club. Josh has been a tough, dedicated, and highly respected member of our playing group since his junior days at the club, and his loyalty and contribution over many years are greatly appreciated.

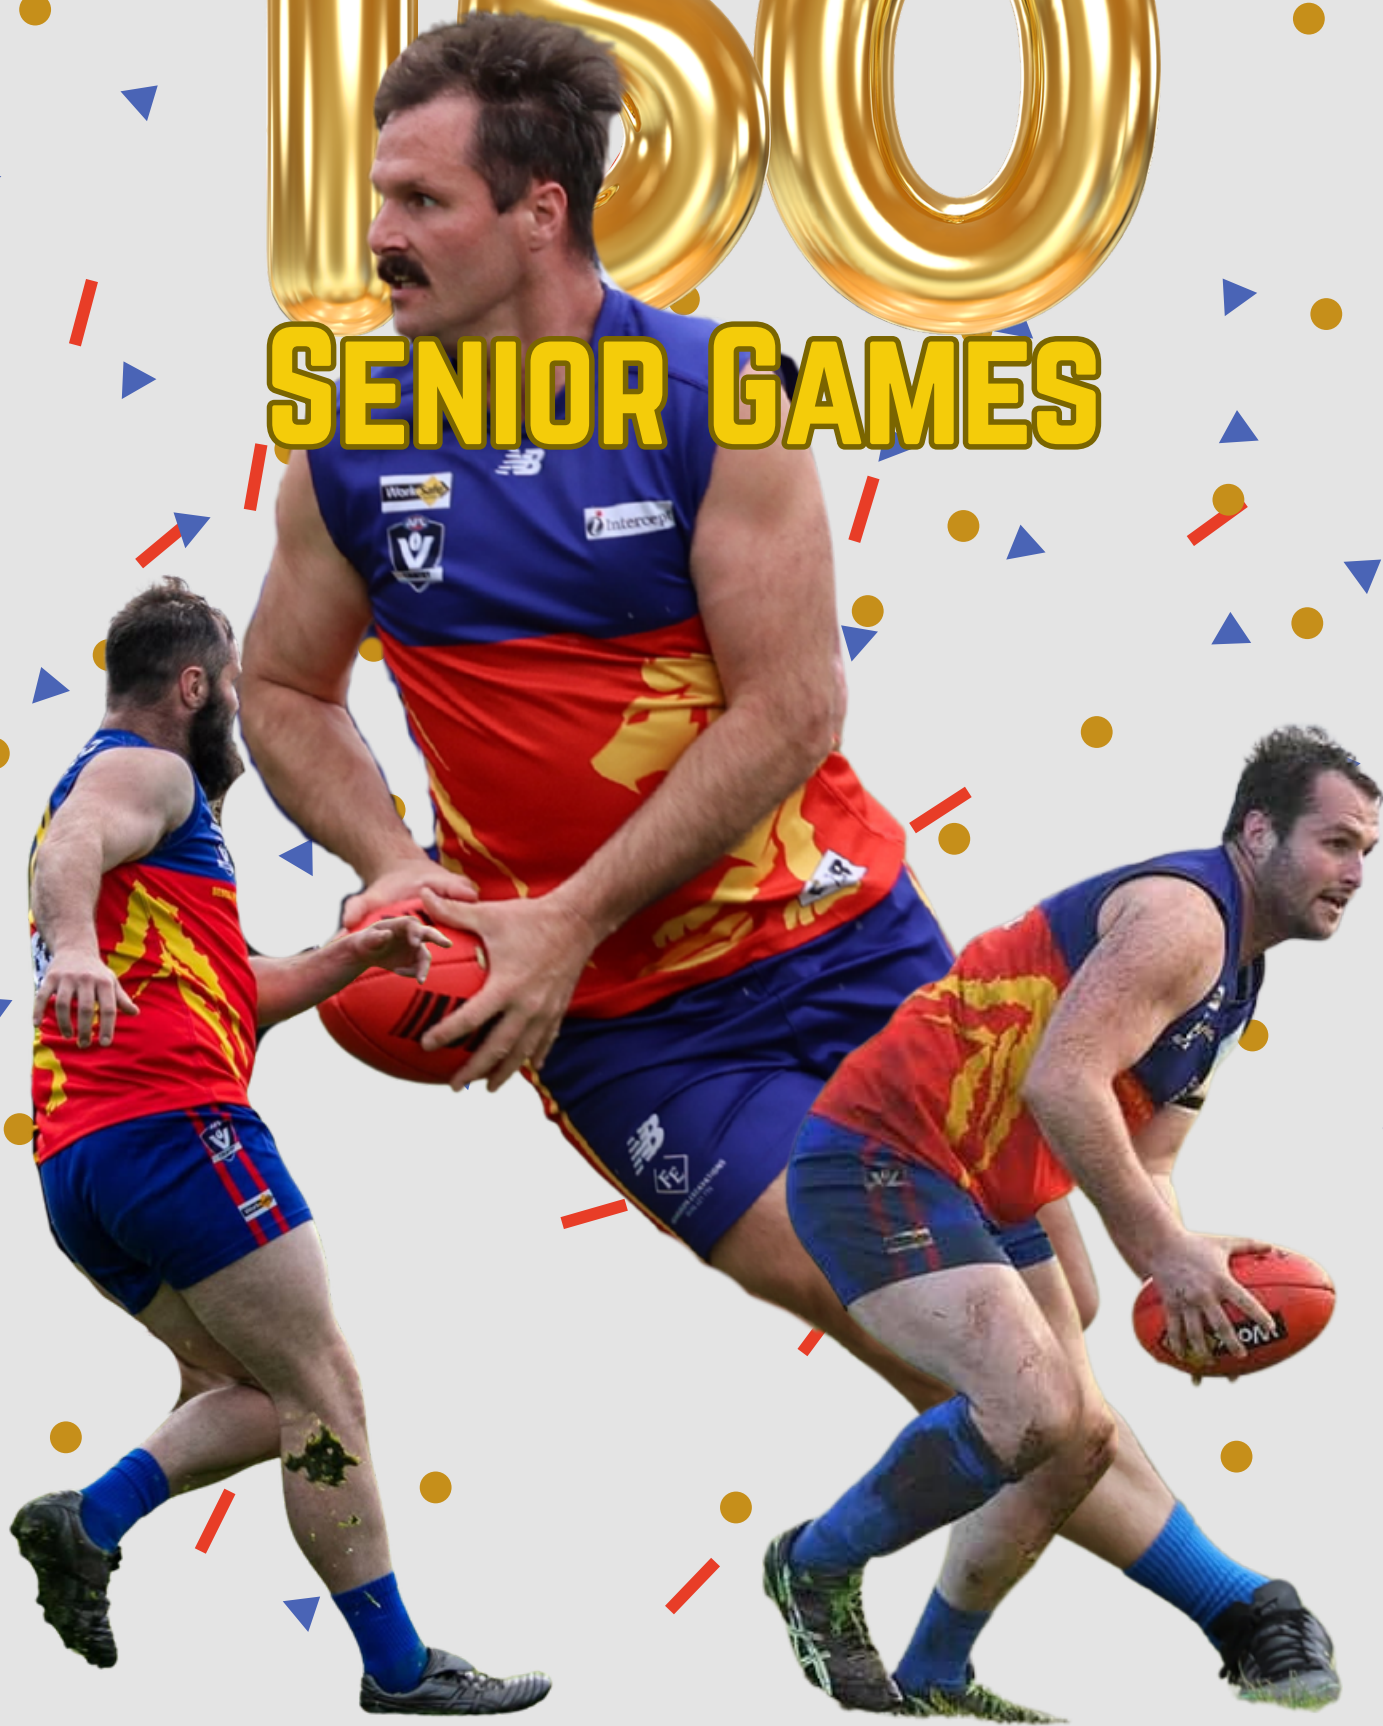

While we celebrate the achievements of this season, plans are already underway to continue building on the strong foundations established over the past few years. Our focus remains on creating a sustainable and successful club that can continue to thrive in this competition, both on and off the field. Finally, we encourage everyone to stay around tonight after the games for some great club hospitality, with casserole available, casual drinks, and the footy on the big screen. It will be a great opportunity to catch up, enjoy each other's company, and celebrate another fantastic season at Great Western.

Thank you again to everyone who has contributed to our club this year. Good luck to all teams today, and enjoy the footy and netball.
Go Lions!

JOSH HUSTLER

SENIORS REPORT

ADAM BONNER

Round 12 we took on Glenthompson Dunkeld and were pretty confident going into the game even though we were missing a couple of good players who pulled up sore after the Tatyoon game. Unfortunately it was probably our worst performance for the year. It was just a general lack of effort across the board and the score board in the end reflected that.

Round 14 we took on fourth place Caramut. Effort and intensity at the ball and the man was a complete turnaround from the week before. Everyone gave 100% effort but, unfortunately, we went down by just over four goals. It was very pleasing to play the sort of footy. Better players on the day with Angus Parnell Jay Ainsworth. We welcomed a new player Toby Wiffen to the club who played well in his first game in the mud.

JAYDEN MCCARTHEY

Round 12

Great Western took on the ladder leaders, Glenthompson/Dunkeld, in what proved to be one of the toughest contests of the season. The boys produced a courageous four-quarter performance and pushed the competition's benchmark side right to the final siren. Unfortunately, they were unable to steal the game with a shot after the siren, going down by the narrow margin of 5.3 (33) to 4.4 (28).

The team showed outstanding determination and never gave up, matching it with the top side through hard work, pressure and willingness to compete in every contest.

Xavier Wilson was influential throughout the game, while Jack Cameron played one of his best games of the season. Oli Reynolds was once again reliable in defence, reading the play well and providing plenty of rebound. Christian Kimber worked tirelessly across the ground and Jack Monument continued his consistent form with another strong four-quarter effort. Riley McArthur was outstanding through the midfield, providing drive and leadership around the contest.

Although disappointed with the result, the boys can take plenty of confidence from their performance against the ladder leaders and the way they fought until the very end.

Round 13

Great Western defeated Caramut 8.10 (58) to 4.3 (27). It was a closely fought first half, with both teams matching each other around the contest. After the main break, however, the Lions lifted their intensity, controlled the play and held Caramut goalless in the second half to secure an impressive victory.

Dom Stevens led the way with an outstanding performance, while Judd Marsh continued his excellent form with another hard-working display through the midfield. Tom Ross made an important contribution around the ground and Wil Mellors provided plenty of drive and composure in the contest. Riley McArthur was once again among the team's best, consistently winning the football and creating opportunities, while Eli Gleeson competed strongly and played his role across four quarters.

It was a fantastic team performance to close out the season, with every player contributing to an important win. The boys' defensive pressure in the second half and their ability to play selfless team football were key factors in the result.

TESS O'CALLAGHAN

Great Western vs Glenthompson Dunkeld Rams

Unfortunately, the girls went down to the Rams by just one goal in what was a great contest from start to finish. It was a hard-fought game, and while the scoreboard didn't fall our way, the girls can be proud of the fight they showed right until the final whistle.

Zoe McGregor had an outstanding game in GD and played a huge role in helping us work the ball out of defence. Alongside Cynthia, the pair were an unstoppable force in our back line, continuing to show just how strong their combination has become.

Through the centre, Mon led from the front and set the tone for the team. She showed great leadership and determination, demonstrating exactly how to keep fighting when the game was on the line. Ella and Inika continue to build on their skills each week and were strong through the midcourt, carrying the ball down the court well and providing plenty of drive.

At the attacking end, Ruby and Sam shot well and worked hard against a tough Rams defence to keep us in the contest.

The girls never backed down from the fight and gave everything they had until the end.

Unfortunately, this time the scoreboard didn't favour us, going down by the smallest of margins. A tough result, but plenty of positives to take away as we keep building towards the pointy end of the season .

Great Western vs Caramut

In some absolutely horrible weather conditions and with our team looking very different this week, the girls adapted, stepped up and came away with a great win against Caramut!

With Cynthia and Tessa both out with injuries, we had to make a few changes across the court, including sending our star shooter Ruby down to the defensive end. Stepping into GK, Ruby was incredible, finishing the game with 10 intercepts and almost every rebound that came her way. Alongside Zoe, the two were unstoppable and made life extremely difficult for the Caramut shooters.

We were also very excited to welcome Chloe Graham back to the Lions after a few years away! Chloe stepped up when we needed her and played a huge part in helping us secure the win. It was fantastic to have her back out on court in Lions colours. Thank you, Chloe!

Through the midcourt, Inika stepped into C and Ella moved into WA. While these positions aren't unfamiliar to the pair, having both grown up playing there, they certainly proved why they are A Grade players this week. Both stepped up, played outstanding netball and kept their heads against some tough defensive pressure, working hard to carry the ball down the court.

Mon took on the unfamiliar role of GA, which was certainly a change from her usual position in C! But it didn't slow her down one bit. She looked right at home, shooting well and running rings around her defender while combining beautifully with Sam in the ring.

Sam had another great game, shooting the majority of our goals despite the wind and rain making conditions far from easy. She worked hard all game and was a strong target for us in the circle.

An amazing effort from everyone. With injuries, positional changes and terrible weather thrown at us, the girls adapted, showed class and kept their heads from start to finish. A great team win and one we can be really proud of.

Round 12

The girls went down by the narrowest of margins to Glen Dunkeld, 37–36, in what was an exciting and hard-fought contest. We knew heading into the game that it would be a tough challenge and that we would need to bring our best netball. After a slow start, the girls showed great determination to fight their way back into the game, reducing a seven-goal deficit in the second half and giving themselves every opportunity to come away with the win.

Kim Shalders was outstanding after being thrown into GD for the first time this season. She adapted quickly to the position and made Glen Dunkeld's shooters work hard for every goal with her strong defensive pressure and determination.

In the goal circle, Kim Hay and Amy Millar combined beautifully, working well together to make every scoring opportunity count. Their movement, communication and accuracy kept the girls in the contest right until the final whistle.

Although the result didn't fall our way, the team's resilience and ability to fight back from seven goals down was a real highlight and something they can take confidence from moving forward.

Round 13

The girls went into the game against Caramut with a positive mindset, knowing they would come out firing. After a strong four-quarter performance, Great Western came away with a well-earned 32–26 victory.

Eva Hurley stepped up brilliantly in the GA position, providing strong drive through the attacking end and shooting accurately when it mattered most. Her movement created space and gave the attacking unit plenty of confidence.

Jacqui Ralph was outstanding through the midcourt, applying constant defensive pressure while also creating a beautiful connection with the shooters. Her timing and precision when delivering the ball into the goal circle played a key role in keeping the attack flowing.

In defence, Izzy Bonner was once again exceptional, taking multiple intercepts off Caramut's GS and making every possession hard-earned. Her pressure and reading of the play were instrumental in restricting Caramut's scoring opportunities.

Most pleasing was the contribution from every player on the court. Everyone played their role, worked hard for one another and stuck to the game plan, resulting in a fantastic team performance and a well-deserved win.

C GRADE REPORT

SUSE CAVANAGH & JACQUI RALPH

2 weeks ago we took on Glen Dunkeld.

The hard work is paying off for the c grade girls at this stage of the season. Working so hard at trainings and together on the court. Lily was unstoppable in the shooting circle. She was able to pull in some strong passes from the midcourt girls. Her team mates awarded her players player. Izzy was on fire in the midcourt showing her speed and some fantastic drives down the court. C grade ending the game winners 26-15

Last week we travelled to Caramut to face the top side. The weather of course included all 4 seasons. At times raining then superb sunshine. We knew this game was gonna be tough but we were up for the fight. We lost Jess to a knee injury early: who we wish all the best too on her recovery and know that she will be the loudest on the bench over the rest of the season.

Elyza was fantastic at GS. Her movement and holds making it easier on the mid-court to find her. Sophie had a magnificent game playing a vital role in the midcourt. She was moved around a lot playing in 4 different positions and having a real crack at all of them. Her team mates awarded her players player and rightly deserved. The girls ultimately going down by 6 goals.

COACH - SARAH POTTER

Great Western 33 – Glenthompson Dunkeld 34

What a nail-biter of a game!

This was one of our toughest matches of the season. Glenthompson Dunkeld came out firing from the first whistle, but our girls matched their intensity every step of the way. It was a fiercely contested game, with both teams giving everything until the very end.

Unfortunately, Glenthompson Dunkeld scored the winning goal in the final seconds, leaving us just one point short. While the result didn't go our way, we couldn't be prouder of the determination, resilience and teamwork our girls showed. They never dropped their heads and fought until the final siren.

We'll take plenty of confidence from this performance. We know we'll meet Glenthompson Dunkeld again in finals, and we know we're more than capable of getting the win.

Great Western Under 17s vs Caramut

Great Western 40 – Caramut 22

Despite the miserable weather, the highlight of the day was coming home with a well-deserved win.

The girls played with confidence, determination and teamwork from the first whistle, earning a strong 40–22 victory. After a few tough games towards the end of the season, this was exactly the confidence boost the team needed heading into the finals campaign.

With a bye next weekend due to SMW Rovers not fielding a team, we'll use the break to reset and prepare for our final two home-and-away games. The girls are ready to take them on with strength, determination and plenty of confidence as we build towards finals.

15 & UNDER REPORT

COACHES - ROSLYN THOMAS & HANNAH BLIGHT

Round 12 saw us line up against Glenthompson-Dunkeld who are sitting 2nd on the ladder, and while we lost the game 39 to 15, we did see improvements in our game from the first time we played. Chloe Hunter played a great game in defence but also showed us her versatility and switching down and playing a nice quarter in goals, while Kelsey Hurley again played a solid game in goals with great determination and drive. Grace Olle again played a great game, providing great drive through the centre and also proving that she can play a nice game in defence. Savannah Turner is also showing consistency every week providing great drive and pressure through the centre court.

Round 13 saw us play against Caramut who are sitting 4th on the ladder, and while we lost the game 29 to 17, we only lost the 2nd half by 1. Chloe Hunter played a great game in defence, combining well with Caitlin Wilson and Grace Olle, to make Caramut work hard for every goal. Hayley Roche combined well with Kelsey Hurley and Ruby Hall in attack making it hard for their defenders to shut us down. Taylor Charty proved how important the WD position can be, providing great pressure around the ring. The girls are improving every week and continue to train hard, and we look to improve again against SM & W Rovers at home this week.

13 & UNDER REPORT

JACQUI RALPH

2 weeks ago we took on top side in Glen Dunkeld. Our girls put up an almighty fight to only go down by 6 goals. Everyone played incredibly well. Deni and Isabelle impressed through the midcourt and into the ring, working together for intercepts and goals. Eva stepped into WA producing strong leads down the court and superb defensive pressure. Dunkeld had there work cut out for them getting through Lottie. She read the play well, holding tough to get the ball back into our hands.

A super impressive game by all the girls that took to the court. Extremely proud of how hard they are working.

13s report for caramut. Jac has hopefully done the week before. Thanks Lil

Caramut

Our under 13s girls braved the conditions again to take on Caramut in Caramut. Court conditions weren't ideal with it being extremely wet and slippery. However the girls came away with a 16-13 win. The girls worked hard together and again the hard work they are putting in at trainings is coming out on the court. Abbie Bradshaw came away with a best on court from the scorers for her efforts in the goal ring along with Denni Marsh in her centre role. Team awards went to Lottie McPhan for her dominant performance in defence and Isabelle Preston in the attacking end, showing Caramut she is not to be messed with. The girls are not far off making finals so let's get behind them and get them over the line!

The logo for 'Bright Beauty' features the word 'bright' in a large, flowing, cursive script in a reddish-brown color. Behind it, the letters 'SIB' are visible in a large, light-colored, sans-serif font. Below 'bright', the word 'BEAUTY' is written in a smaller, all-caps, sans-serif font, also in the same reddish-brown color.
