**LISMORE DERRINALLUM**

# PRESIDENTS REPORT

On behalf of everyone at Great Western Football Netball Club, I warmly welcome Lismore Derrinallum to our club for Round 4 action today.

We are looking forward to a big day of footy and netball. Both teams from Lismore Derrinallum will be fierce competitors, so we expect a tough, hard-fought contest on both the oval and the courts. We encourage all our members and supporters to get behind the Lions and create a strong home atmosphere.

A special highlight today is the official unveiling of our brand-new netball shelter. This fantastic facility will provide much-needed protection and comfort for our netballers and supporters. We extend our sincere thanks to Elvir Dragonovich from Eureka Sheds and Tim Shalders from Western Plumbing for their generous support and outstanding work in making this project a reality. Your contribution to our club is greatly appreciated.

This evening we will celebrate today's efforts in style with our Oktoberfest function. Valhalla will be providing dinner from 5pm, and we encourage everyone to come along, enjoy the atmosphere, support our valued sponsor, and help raise funds for the club. It's a great way to finish the day and enjoy the company of fellow members and supporters.

Good luck to all our players and coaches today. Let's make it a memorable Round 4 and show what Great Western is all about.

## JAYDEN MCCARTNEY

A strong four-quarter performance saw us record a good win over Caramut, 13.10 (88) to 7.5 (47). The group worked hard all day, moved the ball well and were able to play consistent football across the ground.

Wilhelm Mellors was outstanding through the middle, winning plenty of the football and giving us strong drive around the contest. His work rate and ability to link up through transition helped set the tone for the side throughout the game.

Down back, Ashton McKinnon and Oli Reynolds were both very reliable defensively. They competed strongly in one-on-one contests, intercepted well and helped keep Caramut's forwards under pressure for most of the day. Their calmness with the ball also helped us rebound effectively from defence.

A special mention to Archer Reynolds, who played his first game of Under 17's football and showed plenty of confidence, finishing with 2 goals in an impressive debut performance. He worked hard all game and looked dangerous whenever he went near the ball.

Up forward, Xavier Wilson was dominant and finished with 7 goals in a terrific performance. He presented strongly all day, worked hard up the ground and made the most of his opportunities in front of goal

Overall, it was a great team effort with strong contributions across every line, and the players should be proud of the way they competed and played for each other.

# A GRADE REPORT

**COACH - TESSA O'CALLAGHAN**

A Grade have come away with two wins in the last two weeks! A great start to the season girls, let's keep it up!

In Round 2 we faced Caramut in a tough contest, however the girls came out on top. We welcomed Zoe McGregor back onto the court this week and she played an outstanding game. We also welcomed a new face, Cynthia Ladgrove, who slotted into the team seamlessly and proved to be a great addition to our side. It was a hard-fought game, but the girls rose to the challenge and got the job done.

Last week we took on Rovers in another game played under tough conditions, especially for the shooters. Sam and Ruby had a challenging day in the ring, but it certainly didn't slow them down. Down the court, Violet stepped into WD and played an outstanding game. Every single player did their job and it showed on the scoreboard. Another great win for the girls

Last weekend we took on Rovers. First we would like to thank all the girls who put their hands up to fill in for us and who sat on our bench.

Every single girl who took to that court put in 100% effort in, backed up their team mates and never gave up. Score line proved it running away 37-11 winners.

Jess was strong in defence; with clean intercepts and working the ball down the court. Madi has worked so hard on her efforts outside of the ring at training the last few weeks and it really showed. With fantastic movement, passing and shooting she took home the well deserved players player "tap n fill". Amy played at WD. Using advice and asking questions to help her continue to grow into that position after a few years away from netball. She worked super hard for the whole game. All the girls are working hard at training and at home. It's really starting to show within the team and on court.

## COACH - KIM CRABTREE

Round 2 verse Caramut-

We have been working really hard on our positive mindset and today the girls showed incredible determination and resilience in their win against a tough and physical opposition. From the very first whistle, they matched the intensity with composure, skill, and strong teamwork.

Despite multiple changes on the court, the girls showed fantastic adaptability and composure. They adjusted quickly to new positions and combinations and maintaining strong communication throughout the game. Their willingness to step up, support one another, and stay focused ensured that the flow of play remained consistent. It was impressive to see how confidently they embraced the changes and continued to perform at a high level.

Our attackers are going from strength to strength with the girls really taking on feedback and putting into play what we have been working on at training. Millie and Eva had another stellar game together in goals and it was awesome to see Bell get a chance to shoot this week.

Our midcourt combination of Ruby, Bell, Ebony and Greta are bringing the ball down the court and providing fantastic opportunities for the goalies.

Special shout out to Bella who trained the house down and then played an amazing game.

Our defensive combinations of Violet, Beth and Holly is proving a challenge for the opposition! Ruby showed her versatility by joining forces with Violet in defence and absolutely changing the game.

This well-earned victory is a testament to the girls perseverance, communication, and ability to rise to a challenge.

The girls have had two weeks off with the bye and Rovers not having a team so we are keen to get back on the court this week!

## COACHES - ROSLYN THOMAS & HANNAH BLIGHT

Round 2 saw us line up against a very strong Caramut side, but the girls put up a very tough performance and played hard through to the end, unfortunately going down 43 to 13. Caitlyn Wilson played a strong game in GD, making her player have to earn every ball, while Grace Olle played a great game in GA. Chloe Hunter again had a great game showing us she is strong down both ends of the court. The girls are still coming together as a team and all working hard on their game, and should be proud of how they all played hard right through to the end of the game.

Round 3 saw us line up against SM&W Rovers which was a closer game, but still going down 24 to 12. Kelsey Hurley stood out this week playing an awesome game in GA, chasing down any ball within her reach and making it hard for her GD to keep her quiet. Chloe Hunter played another great game again down both ends of the court. Hayley Roche also stepping up in both GS and WA, with strong drives in attack. The girls are continuing to work hard and improve of their game and team work, and finding the different combinations that work. This week we line up against Lismore-Derrinallum and look forward to watch what these girls can do this week.

## COACH - MADI MCCARTNEY

### Round 2

Our first home game vs Caramut saw us get a win on the board. Abbie Bradshaw took the best on accolades with a stellar performance in goals and WD, proving her defence skills are as on point as her attacking ability. Lottie McPhan also proving she's got what it takes to impress. Not only did she show she's a force to be reckoned with but she showed her ability to adapt when called upon. The skill doesn't stop there with all girls putting in the hard work and putting into practice what is instilled in them at trainings.

### Round 3

Round 3 took us to Mininera where the girls put in a mighty effort but sadly the score didn't go our way. This didn't detract from the fact that the girls worked hard and showed they are learning and developing in their game. Denni Marsh showed us why she's co-captain with leading the girls in keeping their heads up and finishing strong despite the score. She showed determination and dominated the intercept count. Charlotte McCartney also shone in the C bib showing that size doesn't matter when you can be quick and have hands over the ball. All girls are playing brilliantly and are consistent in their games. This shows when they pick their players player every week and they struggle to chose and the votes work out very even. Good job girls!
