Tonight, we will wrap things up with a traditional bonfire.....let's hope it's a great night, with a 12am sharp finish!!!!

Good luck to all teams today, let the games be played hard but fair and injury free.

GW v Moyston

The Lions and Pumas played out a really good game of under 12s with only a couple of goals in the game at the final whistle.

Rylan Leehane continued his solid form this season taking over the ruck duties the last few weeks and really playing well.

The tackling machine Clancy Kilpatrick was giving the opposition hell all day with his ferocious tackling

Along with the rest of the younger kids there's massive improvements every week which is awesome to see.

GW v Woorndoo

Most recent last week we travelled to woorndoo to take on the tigers.

In a match that saw the kids get to utilise the full oval and have some great space to show off their skills

Charlie beer had the ball on a string in the middle using his electric speed to burn off opponents taking multiple bounces out of the middle and slamming through 2 majors in the process

We swung wil Pagram from defence to full forward in the 2nd half proving immediately effective with him finding space in the pocket and slotting a classy left foot snap.

Once again thanks to all parents, grandparents and guardians continuing to travel to all games and ensure we put a competitive under 12s side on the park every week.

Finally although this is our final regular season game our under 12s will have a final at great western on the 23rd! Let's make sure we have everyone there to support the future lion stars!!

A GRADE REPORT

TESSA O'CALLAGHAN

A couple of weeks ago, we faced Moyston and put on an absolute clinic, taking a commanding 62-20 win. We welcomed back Kim Hay, who played an outstanding game in GS. We are incredibly grateful she's made a return to help us finish the year. Ruby was electric again in GA, putting on another standout performance. Mon often flies under the radar as she consistently plays out of her skin week in, week out – but in the tail end of this season, she has somehow stepped up to another level (we're still not sure how that's possible, but she's done it). Every second of every game, she's putting in 110%. Sarah also impressed in WA, a position she's not as familiar with. She's adapted seamlessly, bringing her trademark positivity and determination that lifts the whole team.

Last weekend, we took on Woorndoo. A tough loss meant we missed out on finals, but that didn't stop the girls from fighting hard from the first whistle to the last. Defenders Anna and Jordyn had a challenging day against physical opposition but never dropped their heads. Our shooters Kim and Ruby battled relentlessly, even when the defenders seemed to be playing more footy than netball at times. In the midcourt, Mon and Sarah were outstanding again, running themselves into the ground under the hot sun.

One of the big reasons we've been so competitive this year is the time and effort everyone has put into training. I know people thought I was crazy starting preseason back in January, but it's paid off – we are fitter, stronger, and more resilient than ever. Thank you to everyone who turned up week after week, put in the work, and got the job done. This is what netball is all about, and it's showing in the way we've played all season.

It goes without saying that this season has been a tough one for our A Graders, through injury, loss, and an ever-changing line-up. But the enthusiasm and determination of every single player has never wavered.

We wish Hannah all the best in her recovery. We can't wait to have you back on court, and we thank you for continuing to be such a huge part of the club off the court despite your injury.

A huge thank you to Jordyn Leggett, who hadn't played for the club in years but heard we were short and didn't hesitate to put her hand up. You didn't just show up – you came to training, brought your positivity and laughter, and even rearranged your life to step out on court for us. We wouldn't have made it this far without you.

To Ruby Thomas and Violet Day – our two U15 stars – thank you for taking up the challenge of senior netball. Your talent, club spirit, and willingness to learn are a big reason our A Grade side has kept fighting this year. We can't wait to see you both continue to grow into netball stars (or whatever sport you choose – though we're hoping it's netball!).

Round 14

Great Western had a strong start to the game in round 14 and resulted in with a convincing win over Moyston, 46 to 18. The team worked hard across the court, showing great teamwork and determination.

In the shooting circle, Amy Millar was outstanding, scoring 39 goals from 42 attempts. Isabel De La Rosa battled hard in defence, making it difficult for Moyston's shooters to find their rhythm. Inika Shalders impressed with her relentless effort all over the court, forcing turnovers and creating opportunities for Great Western.

Round 15

The girls had a slow and sloppy start in the first quarter in round 15, but once they found their groove, they took control of the game and claimed a solid win over Woorndoo, 43 to 27.

In defence, Jess Kindred worked tirelessly, making it difficult for Woorndoo's shooters to capitalise. Inika Shalders was a standout through the midcourt, intercepting passes and plucking balls out of the air to disrupt Woorndoo's play. In attack, Dana Humphrey showcased her skill and movement, using open spaces to her advantage and keeping the scoreboard ticking over.

A strong finish and another great team effort—well done, girls!

Round 14

Going into the match against the 3rd place Puma's, our team stood confident despite sitting seventh on the ladder. From the first whistle, it was clear this would be a tightly contested game.

The Puma's brought intensity and structure to their defense, but ours held stronger. Emma led from the back, contesting every ball fed into their goal circle, making them earn every point. Our team's pressure, grit, and smart play across the court kept the game neck and neck.

In the final minutes, despite a late surge, we fell just short, going down by only 2 goals. But this performance sent a clear message: we are not to be underestimated. We go into next week hungry to get another couple of wins on the board before the season ends

Round 15

It was a sunny day in Mortlake, but our start was anything but bright. A shaky first quarter saw us scrambling to find rhythm, with Woorndoo Mortlake applying early pressure.

But once the girls settled in and found their groove, the momentum swung our way. With sharper passes, stronger defense, and confident shooting, we took control of the game.

From then on, it was smooth sailing — powering home to a convincing 31-10 win. A well-earned victory that proved once again what we're capable of when we play our game.

As the season wraps up, a huge thank you goes out to all the incredible girls who played in C Grade this year. Your commitment, teamwork, and determination made every game one to remember. A special shoutout to the juniors who stepped up when numbers were low, your support and energy never went unnoticed and were truly appreciated.

We're proud of the growth we've seen across the court this season, and we can't wait to see what next year brings. Hopefully, we'll see all your faces back for an even bigger and better 2026 season!

Round 14

What. A. Game.

The first quarter saw us trailing 6-10, with Moyston coming out strong and determined. We knew this was going to be a tough match, especially since they had beaten us convincingly earlier in the season.

In the 2nd and 3rd quarters, we held our ground, matching them goal for goal and refusing to let the pressure break us. Then came the final quarter... and what a nail-biting finish it was! With grit, determination, and teamwork, we pulled ahead to take the win 33-31.

This game is proof of just how far we've come this season, from that early loss to now showing we can match it with anyone. The hard work is paying off!

Round 15

Great Western 34 – Woorndoo 20

Coming into this game, we were short on numbers for the Under 18's due to the Deb Balls, but our amazing Under 15's once again stepped up, filling almost half our side and playing two games in a row. Huge credit to them for their effort and energy!

We were lucky enough to break away in the first quarter, which is always a massive advantage. From there, the girls never looked back, working hard in every third of the court and maintaining the pressure right to the final whistle. A strong and convincing 34-20 win to top off the day!

This week marks our last game of the season and we couldn't be prouder of this group. Our Under 18's have grown into a strong, united side. Kim and Sarah are extremely proud of how the girls have persisted, from sitting at the bottom of the ladder halfway through the season to only just missing out on finals. This turnaround proves that next year, we'll be back even stronger.

Round 14 saw us line up against Moyston-Willaura and run away with a very convincing 55 to 8 win.

Eva Hurley was in our best shooting 20 goals with only 2 misses making a 90% scoring average, and Ruby Hall also in our best showing how much pressure she can place Defensively. Violet Day was our teams voted best player, showing us she is not just dominant in defense, but also dominant in the goal ring. Kelsey Hurley stepped up for us this week playing a great game for us in C and wing attack, well done to Kelsey and all the team in a fantastic win.

Round 15 saw us line up against Woorndoo-Mortlake, and we again came away with a win 25 to 9. Ruby Thomas and Violet Day were voted our best on, with strong games again from them both. Annabelle Kindred was deservedly our players voted best on, showing her strength a versatility in C, WA and in goals. Madie Osborne took away the coaches award for her continued determination and defensive pressure in WD, well done Madie and all the team.

This week we line up against Glenthompson-Dunkeld and look to come away with a strong win before heading into finals, and show why we are on top of the ladder.

In Round 14, we played the Pumas at home and emerged victorious with a score of 33 - 12.

Caitlin Wilson played her 50th junior game. She has been a pleasure to coach over the years, always attentive and willing to improve. Caitlin is an integral part of our team. Congratulations Caitlin on this milestone!

Two team players were recognised: Eva James and Grace Olle. Eva has shown remarkable improvement this season, particularly in her footwork, which has been evident in her last few games.

Grace has also continued to improve, focusing on her ring work and mid-court skills that we have been working on at training.

Round 15 V Woorndoo Mortlake

Last week, we travelled to Woorndoo for a tough game against a well improved side. The final score was a draw, 21-21.

Caitlin Wilson was awarded the coaches award. Caitlin made so many intercepts that we easily lost count! She was instrumental in our defence, securing crucial turnovers.

Grace Olle was voted team player. Grace worked tirelessly in the ring throughout the game, scoring crucial goals under pressure, which is not easy.

We are anticipating the challenge of playing the Rams today as we prepare for our first game of finals next week!
