ROUND 12
GREAT WESTERN
VS
GLENTHOMPSON DUNKELD

PRESIDENTS REPORT

Welcome everyone to today's Round 12 fixture between the Great Western Football Netball Club and Glenthompson Dunkeld. On behalf of the club, I would like to extend a warm welcome to all players, coaches, officials, spectators and supporters who have joined us today. We hope everyone enjoys a great day of football, netball and community spirit.

Today's game is proudly brought to you by our valued sponsor, Intercept Group. Intercept Group are business coaches specialising in creating strategic future plans to help grow your business, its people and its culture. They work with organisations to review their structure and facilitate discovery workshops designed to optimise organisational performance and achieve better outcomes. We sincerely thank Ivon and Tania for their ongoing support and commitment to the Great Western Football Netball Club.

Today is also our annual Family Day, one of the highlights of our club calendar. It is always a fantastic opportunity for our players, families and supporters to come together and celebrate everything that makes our club special. We encourage everyone to enjoy the activities on offer throughout the day, including face painting, the playroom and bull riding. We also look forward to seeing plenty of young faces take part in our Auskick game, which is open to all children under 10 from both clubs. It's a great way to get involved, have some fun and experience the joy of football.

To all players taking the field or court today, we wish you the very best of luck. Play hard, enjoy the contest and represent your clubs with pride. A reminder to all coaches, players, spectators and officials that we all have a role to play in creating a positive sporting environment. Please show respect at all times and support the values of fairness, teamwork and community that make country football and netball so special.

Thank you to everyone who contributes to making today possible, including our volunteers, sponsors, officials, players and supporters. Enjoy the day, and we look forward to a great contest between Great Western and Glenthompson Dunkeld.

Round 10 a steak on Ararat at home and what was our best performance of the year to date? We welcome back coach Tom Randone, Mitch Clark and Mason Davis have been overseas for the season. We got off to a great start kick five opening quarter goals yes it was a really really good game from everyone. A lot of even contributors Sam Cocks kicked five goals. Danly played really well Tommy Randone and Mitch Clark were our better players.

Round 11 we headed to Tadeo what a difference a week makes from beautiful blue skies in Great Western to Antarctic type conditions in Tattoon. We lost into the breeze was probably six when they kicked within the first quarter. We had a great first quarter to go in one goal down was it was a great effort. We started the second term pretty well then the rain came all down to 7 men on the field. What hurt us as well it was a tight contest at halftime after halftime the rain become torrential and it was Just a battle of Wills really and we were unfortunately out on the wrong side of the result we we played really well. It was pleasing to see after the Ararat game that we could back it up two weeks in a row .best players Dan Ladgrove Levi Wilson and Sam Cocks again with four goals. Lots of positive signs we have beaten last year grand finalist and got within a kick of the last years preliminary finalists

The reserves have had some tough weeks with a couple of agonisingly close losses at home before running into some ordinary conditions last week out at tatyoon against a strong outfit .

With some injuries to key players and unavailability we have relied heavily on some of the older under 17s who have helped us out and played incredibly well across the board.

This week we look to bounce back at home against Glen Dunkeld and keep our hopes of a finals berth alive

JAYDEN MCCARTHEY

Great Western produced a strong team performance to defeat Tatyoon 9.6 (60) to 4.3 (27). A dominant first half laid the foundation for the win, with the boys taking control of the game through strong pressure, clean ball movement and a willingness to work hard for one another.

Hugo Bonner was outstanding, giving our midfield first use through the ruck and competing strongly around the ground. Oli Reynolds was reliable in defence, reading the play well and helping limit Tatyoon's scoring opportunities, while Jack Monument continued his consistent form with another determined four-quarter effort.

Up forward, Xavier Wilson was a constant threat, finishing with 4 goals in another impressive performance. His leading patterns and ability to capitalise on opportunities were a key factor in the team's victory.

It was also fantastic to see our younger players stand up and make valuable contributions throughout the game. They showed confidence, competed hard and played their roles well, highlighting the depth and bright future of the group.

Overall, it was a well-rounded team performance and an important win as the boys continue to build momentum heading into the final rounds of the season.

LACHIE KILPATRICK

The under 13's played one of there better games in a wind effected game against tatyoan in round 11.

Tatyoan scored large in the 3rd quarter (8 goals) but were held well ny good defensive pressure that the younger players are really starting to improve on in the 1st and 2nd quarter and most of all the 4th quarter where Tatyoan were only able to score a single goal kicking with the wind.

Archie and Jye are a couple of older player from the u/17's who have been eligible to come back, this has lifted the confidence of the whole team having a few older players do alot of the heavy lifting in the midfield.

They had help from Lenny Shalders, Henry Beer, Hudson Sandeman and Rhylan Lehane who all played a good game with Rhylan going into the backline to steady the ship in the 3rd quarter adding alot of defensive pressure helping the young players out.

Mark Mcphan played his best game of the year starting in the forward line then rotating across the field, He is starting to really improve with more and more confidence.

Jaxon Patterson played a good game at centre half forward and is starting to learn his craft there using his running ability.

Will Pagram played his best game this year starting at full forward and then rotated to full back where he kicked out.

Clancy, Max, Flynn, Jimmy and Ace spent most the day in defence. Last couple of weeks they have really started to put on defensive pressure, finding loose opposition players to man up while also being offensive aswell when clearing the ball out.

Although beaten decisively this is the best defensive game we have played all year in horrid conditions.

With players coming back next week and the improvements the team has made will be interesting to see how we stack up against Glenthompson/Dunkeld who we played round 1.

TESS O'CALLAGHAN

Heading into our clash with the Ararat Eagles, we knew we had a tough challenge ahead of us. Sitting above us on the ladder, they were always going to test us, but after an inspiring speech from Inika during the week, the girls took the court full of belief and determination.

What followed was our best team performance of the season. It was a physical, high-pressure contest from the first whistle, but every single player stood up when it mattered most. The girls fought for every ball, backed each other in, and were rewarded with a massive 53-46 victory.

With our usual goal shooter Sam unfortunately going down with a sprained ankle during the warm-up, the game could have gone either way. Instead, the team rallied around each other and proved just how resilient we have become. Ruby Thomas once again showed why she is one of the competition's most reliable shooters. Even under immense pressure, Ruby calmly shot 44 of our 53 goals, finishing with an outstanding shooting percentage of 81%.

Across the court, it was a complete team performance. Inika, Mon and Ella have been exceptional through the midcourt all season, and their work rate, connection and decision-making continue to create opportunities for the entire team. Their ability to transition the ball from defence to attack has been a major reason for our recent success. In defence, Cynthia has played an integral role in everything we've achieved. Her leadership, composure and ability to read the play have been invaluable, averaging around three to four intercepts a game. We are incredibly lucky to have her anchoring our defensive end.

This game was a true reflection of the commitment and effort our A Grade girls have been putting in at training. It showed exactly what this group is capable of when everyone buys in and believes in one another.

Last weekend we faced another huge challenge against ladder leaders Tatyoon, who remain undefeated this season. Unfortunately, we couldn't come away with the four points, going down by just 11 goals, but there was so much to be proud of. The weather was horrendous, with strong winds making it an incredibly difficult day for shooters at both ends of the court.

Without Cynthia this week, our defensive end looked a little different, but Jordyn Leggett stepped into Goal Keeper and was outstanding. Jordyn and Zoe looked like they had been playing together for years, working seamlessly as a defensive combination. They made the most of the windy conditions, attacking every rebound and applying relentless pressure throughout the game. Sam and Ruby continued to work in attack despite the difficult conditions, while Inika and Ella both stepped up, adapting their games against quality opposition and showing great composure throughout the contest. Our captain, Mon, once again led from the front. Week after week she gives everything she has, both on and off the court, and this game was no different. She showed exactly why she's our leader, lifting when the team needed her most and setting the standard with her effort, determination and consistency. Although we didn't get the result, matching it with the competition's top side for long periods shows just how far this group has come. As we head into the pointy end of the season, I couldn't be prouder of what this A Grade team has achieved. The growth, commitment and belief within this group have been incredible to watch.

Finals are well within our reach, but our job isn't finished yet. We can't afford to take our foot off the pedal. Let's keep working hard, keep backing each other in, and finish the season the way we know we can.

DANA HUMPHREY

The girls faced a tough challenge against Ararat Eagles, going down 45–39 in a competitive contest. Despite the result, the team showed plenty of determination and continued to fight right until the final whistle.

It was fantastic to welcome Dana Humphrey back from injury. Dana slotted straight back into the team, providing strong drive through the midcourt and helping link defence to attack with her work rate and composure.

Kim Shalders was outstanding in the midcourt, applying relentless defensive pressure and doing an excellent job shutting down Ararat's WA. In the goal circle, Izzy Bonner was once again a standout in defence, making the Eagles' shooters work hard for every goal with her strong positioning, pressure and determination. Overall, the girls never gave up and continued to compete for every ball. While the result didn't fall our way, there were plenty of positives to take from the game, and the team will continue to build on those areas as the season progresses.

Round 11 Vs Tatyoon

Great Western faced another tough challenge against ladder leaders Tatyoon in difficult, windy conditions. It was an exciting contest from start to finish, with the girls narrowly going down 27–25 after a hard-fought four quarters.

Kim Shalders was outstanding through the midcourt, applying strong defensive pressure and working tirelessly to disrupt Tatyoon's ball movement. Alanna Woods led by example, providing strong drives through the centre court and showing excellent leadership throughout the game.

In the shooting circle, Kim Hay played an important role, using her height to advantage and creating valuable space in attack. Her strong positioning and accurate finishing kept the girls in the contest until the final whistle.

Overall, the girls should be proud of their effort against the competition's top side. While there are still a few costly mistakes to tidy up, the confidence, determination and resilience shown throughout the game are positive signs as the team looks to finish the season strongly.

SUSE CAVANAGH & JACQUI RALPH

This week we welcomed Ararat Eagles to our home court, and while we're not sure if there's a record for the most drawn games in a season, we're now sitting at three... that's enough now though, girls!

Our shooters, Madi and Lily, worked beautifully together, moving the ball around a tough defensive outfit and certainly catching the attention of the vote selectors. Sophie was also outstanding, not only shooting accurately but helping steady the ship through the midcourt, earning best-on-court honours from her teammates.

Jess's leadership and decision-making were once again invaluable to the team's success, while young gun Kelsey continued to show she is a force to be reckoned with, more than holding her own against opponents with years of experience behind them. It was a roller coaster of emotions as the scoresheet was recounted several times, but we walked away with the 31 all draw feeling very much like a win. The composure, determination and teamwork shown by our girls were outstanding, and once again we played as one beautiful unit.

Keep bringing this energy, girls, there's plenty to be excited about as we head towards the pointy end of the season.

We were super excited to welcome back both Izzy and Elyza this week, bringing with them some internationally sun-kissed skin to a cold and windy (but thankfully dry) day at Tatyoon. The girls came out strongly in the opening quarter, ruffling a few Hawks feathers with some well-communicated zone defence and relentless pressure around the court. From there, the game settled into a relatively even contest, with our side doing enough to come away with a well-earned 18-13 victory.

The windy conditions made it difficult for goals to stick, but Lily, Jac and Emma all used their height to great advantage, positioning themselves beautifully for rebounds and second-chance opportunities.

Sophie was once again selected by her teammates as Players' Player. In a bit of a weather backed scrappy game, Soph helped make things look far less chaotic than they were, leading strongly and consistently delivering well-timed passes into space to keep our attacking momentum going.

Amy also continues to impress us with her implementation of the skills she has developed throughout the season. Her willingness to apply pressure to the opposition and back herself earned her a well-deserved award today.

Thank you to Tatyoon for having us, and welcome to Glenthompson-Dunkeld today. We wish all teams the very best for the remainder of the season.

COACH - SARAH POTTER

Great Western 69 def. Ararat Eagles 13

A fantastic team performance from the girls this week, coming away with a convincing 69–13 victory over Ararat Eagles.

After a couple of tough games, it was great to see the girls bounce back with confidence. They got off to a strong start, building an early lead and maintaining the intensity for all four quarters. Their teamwork, accurate passing and strong defensive pressure allowed them to control the game from start to finish.

This was an important confidence-building win heading into next week's tough challenge against Tatyoon. If the girls continue to bring the same energy and determination, they'll put themselves in a great position.

Well done, girls!

Tatyoon 36 def. Great Western 24

We knew this was always going to be a tough contest against an undefeated Tatyoon side that has been one of the strongest teams all season.

The girls came out with great intensity, leading for the entire first half with plenty of strength, determination and hunger around the court. Unfortunately, after half time a few costly mistakes while under pressure allowed Tatyoon to gain momentum and take the lead, eventually running away with the win.

While the result didn't go our way, there were plenty of positives to take from the game. We now know what we need to work on as a team, and we're confident that if we continue to improve, we'll be ready to challenge Tatyoon again come finals.

Keep your heads up, girls. The belief is there, and so is the potential.

Round 10 saw us have a well deserved win over Ararat Eagles 35 to 21. Hayley Roche played a strong game in GS and combined well with both Kelsey Hurley and Grace Olle in GA, making it very hard for their defence. Ruby Hall showed us how she can make an impact down both ends of the court playing a strong game in WA and then defensively in GK shutting their attack end down. Taylah Charty, Madie Osborne and Savannah Turner all continue to provide great drive and defensive pressure through our centre court, contributing to a well deserved win.

Round 11 was a tough game against a very strong Tatyoon side, losing 34 to 6. Grace Olle and Chloe Hunter showed their ability to play at both ends of the court in Goals or in defence, both providing great drive and defensive pressure. Caitlyn Wilson had many great intercepts and made Tatyoon work hard to get every goal playing a great game. While this wasn't a close game on the scoreboard, the team continue to improve and play great passages of play, and we look to improve next week against Glen-Dunkeld

JACQUI RALPH

Ararat

Our home game against ararat proved fruitful with the girls coming away with a 19-15 win. Denni showed us why she's joint captain stepping up and overcoming challenges. Abbie again dominated the goals, coming out of her shell to move well in the ring. Amelia and Gemma received the awards for being the pocket rockets they are. Amelia moving in the attacking half like a vixen and Gemma putting in that work in WD to shut down her player. The girls positions get shuffled around but they maintain their composure well! Good work girls!

Tatyoon

The girls again played a super game of netball in the horrible weather conditions they were dealt. The wind, cold and rain didn't stop another win at Tatyoon. This 9-8 win was hard fought. Once again Denni was best on in the scorers eyes followed by Eva. Both girls making a huge impact on the play in all areas of the court. Both girls proving they can be relied upon, Denni stepping up when called upon by Jacqui to settle and lead the team. Another team pocket rocket who set to work and took multiple intercepts was Charlotte. Proving that Jacqui knows what she's talking about, both Charlotte and other award recipient Millie put into action what was asked of them and reaped the rewards. All girls are putting into practice what they are learning at training and it is showing on the court. Fantastic effort girls!
